

2026 committee position

Name: Daniel Broughton

Position for 2026: vice chairman

License number : 10/25-2601

Proposed: Sheena Kirby 10/25-841

Second proposal: Rob Farrow 10/25-2616

I would like to express my interest in the position of Vice Chairman.

I've been involved with Auto-grass since the age of 14 racing all over the country.

As an active committee member for the last 8 years and league scrutineer for last 4 years, I feel I have gained an understanding during this time about the workings of the club and our members.

The position would help the chairman with the running of our club/meetings and stepping into his role when needed.

I am eager to take on a greater leadership role to contribute to our club's continuing success and growth in the future but most importantly I want to always make our members feel valued in the involvement and participation of their club.

My Aim is to improve communication between our members, Committee and Chairman. Be open to new ideas and try to implement them if possible.
