

YAC Committee

Sheena Kirby 10/25-841

I would like to rejoin the committee as I feel the committee hasn't enough members to get a varied opinion from the club drivers and help to encourage our younger members to have a say how their club should be run and hopefully become future committee members/ secretaries/ and even chairmen or ladies as I feel that's the future of keeping our club and hopefully growing in numbers.

Proposed by Janice Daniels 10/25-838

Seconded by Roger Kirby 10/25-840
