Help!

Many hands make light work and we really do need more hands! You don't have to be a driver; you may be a regular spectator who would like to be a bit more involved. Please come and speak to an official to find out more.

Our best thanks go to Mr R Wrathall for allowing us the use of his land, and to all those who have contributed in any way. We also thank the medical team in attendance and all officials, marshals, sponsors, drivers, and spectators.

Please use the litter bins and keep this field tidy.

Hidden-Letter Challenge

Find the letters hidden around the venue following the clues below.

Clue 1: Every race day starts right here. Before you see the cars, this is where you enter. Look nearby for your first two letters!

Clue 2: Need something for your car? Fancy some racing goodies? Head to the trade stands and see if you can spot your next letters.

Clue 3: You hear the voices calling the races from here. Listen carefully... then look around the spectator-safe area for your next letter!

Clue 4: Red flags, chequered flags and race information all come together here. Find the letters nearby.

Clue 5: Cars get prepared for battle here (well hopefully not battle but at least prepared. Find the clue in the designated spectator area nearby, but remember, stay out of restricted areas.

Clue 6: Where the racing action happens! From a safe spectator area, find the final hidden letter.

FINAL CHALLENGE

You've found all 9 letters!

Now rearrange them to reveal the secret word:

HINT: It's what you're here to watch!

Thank you to D&M Design & Fabrication for supply and design for this weekends Trophies!
